

# Wall Pad Cut-Out Trim Kit

NEW

*Wall Pad Cut-Out Trim Kit* provides a neat and clean answer to accessing receptacles and switches. Simply make the necessary field cut-out then insert and staple the molded rubber trim kit. Manufactured from fire-resistant molded rubber and sized to accommodate any wall pad with a standard 2 7/16" thickness. *Wall Pad Cut-Out Trim Kit* is available in gray or black and can be used with single or double gang electrical boxes as well as standard sized fire alarms.

7"x7" Wall Pad Cut-Out Kits fit Single Gang or Dual Gang openings as well as standard fire alarm pull stations. Available in light grey (P/N 108504700) or black (P/N 108504701).
